# RULES

We listen to our rules – 1 whistle = stop, 2 whistles = back to base and 3<sup>rd</sup> rule = have fun and learn. We also remember to respect nature

# STAYING SAFE

We put out our boundary flags for us to stay inside

Forest School Awards - The outreach programme for Learning Without Walls

# BIRDS NEST

Today we start by looking at some birds nests. What is used to make them and what is inside them?

Forest School Awards - The outreach programme for Learning Without Walls

# NESTS

We split into groups and are given a rubber egg

Forest School Awards - The outreach programme for Learning Without Walls

# NESTS

Once we had our eggs we had to make a nest for them

Forest School Awards - The outreach programme for Learning Without Walls

# NESTS

We work as a team to gather sticks and leaves to help us build our nests

Forest School Awards - The outreach programme for Learning Without Walls

# NESTS

You all made some wonderful, warm and cosy nests

Forest School Awards - The outreach programme for Learning Without Walls

# NESTS

We look at all of the nests and each group explains how they made their nests.

# DID YOU ENJOY IT?

All happy faces  
the pupils  
enjoyed making  
their nests

# BUBBLE WANDS

Today we are going to make bubble wands— we use elder, tent pegs, fairy liquid and water

Forest School Awards - The outreach programme for Learning Without Walls

# BUBBLE WANDS

We start by looking at the elder, what does it feel like? What does it smell like?

Forest School Awards - The outreach programme for Learning Without Walls

# BUBBLES WANDS

We make our bubble mixture (fairy liquid, and water)

Then we use our tent peg to push the centre (pith) of the bark out

# BUBBLES WANDS

Now we dip our elder in the bubble mixture and blow bubbles

# DID YOU ENJOY IT?

Lots of smiley faces today. The pupils enjoyed blowing bubbles.

Some sad faces as they didn't get any bubbles and the mixture was sticky

# LEAVE NO TRACE

We have to tidy up afterwards to make it safe for wildlife
