

Glenbrook Nursery School

Forest School Diary

Class 2- Session 4 led by Mrs Shanks

23/02/24

Our Rules

- We listen to our rules –
- 1 whistle = stop, 2 whistles = back to base and 3rd rule = have fun and learn.
- We also remember to respect nature

Staying Safe

- We put out our boundary flags for us to stay inside.
- We had some great helpers!

Class Discussion

- We talked about our past bird feeder activity and all the birds that had visited our garden.

We talked about binoculars and what they were.

We discussed how we would collect some natural materials and put them in our baskets first. Then we would decorate our toilet roll tubes.

Activity Time

- We split into two smaller groups to make our binoculars.
- We collected the natural materials first from around the forest.
- Then we coloured our toilet roll tubes and then stuck on the natural materials.

Activity Time

Activity Time

Looking for lots of wildlife
with our binoculars!
We saw birds, caterpillars,
spiders and a snail.

Did you enjoy it?

Most of the children said
yes! 2 children said they
didn't because they were
too cold.

Leave No Trace

- We have to tidy up afterwards to make it safe for wildlife.
- We gathered up all of our boundary signs again to finish our session.
